How Can You Help?

You can help improve our warehousing, logistics, and prisoner transport success by supporting and participating in the MDOC Supply Chain Transformation, and by:

- Helping initiative team members understand your needs and challenges
- Sharing your knowledge and experience
- Being willing to learn new ways to work cross-functionally
- Following the new procedures when they are put in place
- Talking positively and encouraging continuous improvement
- Having fun and building new skills while helping the MDOC cut costs and improve the way we work

You can help build success...
Success is the Only Option!
