**Statement by Sen. Mark Schauer (D-Battle Creek) on the Governor's State  
of the State Address:**

The Governor presented us with an aggressive, innovative, fiscally-responsible vision tonight. Everyone knows that our economy needs to be job one, and this focus on growth industries, education improvements, and incentives will help us keep and attract jobs. I'm looking forward to working in a bipartisan way to create jobs and more security for Michigan families.
